Vendor Booth Information

Circus City Festival, Inc. (CCFI) is a family oriented event. For that reason vendors are not permitted to sell or display goods or materials that refer to, depict or encourage sexual acts, the use of drugs, alcohol or controlled substance, the sale of weapons or any violation of the law. Final determination of whether or not a particular item may be offered for sale or displayed by a vendor is left to the discretion of the Board of Directors of Circus City Festival, Inc., or its designee. If the CCFI Board or its designee determines that an item may not be displayed or sold, the vendor will forfeit their space and fee.

The placement of your booth is at the sole discretion of the Circus City Festival Board of Directors or its designee. If vendor does not accept placement of booth, the vendor will forfeit their space and fee.

Vendors may not be under the influence of alcohol or any illegal drugs while running their booths. Use of alcohol or drugs will result in forfeiture of space and fee.

Please consider any overhanging structure on your booth. This includes allowing for windows and door openings and also hitch and/or tank when applying for space. Do you sell from side, front or rear? We need to know. Your spots will be marked to your specifications - allow enough room for your business. It will be necessary to limit each booth to the exact subscribed space. If you give us the wrong measurements on the contract, rental will be forfeited. Do you have table and chairs or benches - allow space for these also. No space will be rented for parking vehicles as used in the towing of concession trailers. Concessionaire cannot park on Broadway, in fire lanes, alleys, within blocked off areas or in any business parking lot. If you violate any of these parking rules, your vehicle will be towed. Loading and unloading will be allowed. Concessionaires not within the barricaded pedestrian area cannot extend their booth out on the street or any further than width of marked parking space or open canopies to the street-side where this area is used for a fire lane or open to traffic. Each concessionaire must clean the area around his stand each night. The dumping of any cooking oil, grease, fat or other residue or debris into any gutter, street drain, or catch basin is prohibited. Dumping of waste water into gutter is prohibited. A grease barrel will be available for your use in disposing of cooking oil, fats and grease. Any subleasing of booth space is prohibited.

KEEP THESE RULES AND REGULATIONS POSTED IN YOUR BOOTH UNIT FOR ALL WORKERS TO READ DAILY

NO concessionaires or booths will be allowed to set up until all monies due are paid. This is including an insurance form on file at the circus office if that is necessary for your unit.

Liability insurance needs to be on file at CCFI office.

Make own arrangements for setting your unit or booth in place—dolly or what is needed. Do not place unit or booth against the curb—allow for water runoff and lines to flow to sewer.

Have enough electrical cord to run to stationary hook-ups provided. Up to 75 feet may be needed.

Electricity hook-ups will be between 7am to 6pm Sunday and 9am to 3pm Monday.

A person must be at your unit or booth for the electricity to be hooked up. This is an absolute must! You may not do this yourself. This also refers to unhooking on Saturday, July 21. The hours for disconnection are 11:00pm Saturday, July 21 to 2:00am Sunday, July 22. All electricity will be shut off by 2:00am. You must plan your cleanup accordingly.

No walking or mobile units will be allowed in the shut-off area. You will be assigned a space to set up in and sell from.

This is a community event for all people. Please treat your neighbor as you would want him/her to treat you.

Excessive selling (yelling to attract attention to your booth) will not be tolerated.

Excessive loud music will not be tolerated.

The people are the reason you are here. Be full of spirit and give a friendly smile and a “Hello” to all. Your attitude makes a difference in the sale you will have.

Keep the area clean around your booth or unit. Have your own trash container.

All booths and/or units must be cleared from the area by 3:00am Sunday, July 22, 2018. The street crews will be cleaning the street after this time.

Other rules and regulations may be added by the Circus City Festival, Inc Board of Directors at any time as needed.
